**NBA BASKETBALL**

(FOR TWO PLAYERS)

**GAMEPLAY:** PASSING, SHOOTING, DEFENDING, REBOUNDING, AND STEALING. The object of the game is to put more total points than your opponent. Passing can make the difference between a good and a great player. It is your ball — defense counts, but so does attack. — you have to be able to make it pass to — or will you do better to pass to a jump shot? The defense — make up your mind! You have to — shoot! Shoot! Two points!

**HOW TO WIN:** If you want to play winning INTELLIVISION BASKETBALL, read the booklet.
